# Sarnia Park

ACCOMMODATION, WEDDING & FUNCTION VENUE, GARDEN TOURS

10 January 2011

To: The Garden Group Co-ordinator

I would like to extend a warm invitation to you and the members of your garden group to consider including Sarnia Park in your programme for the coming year. We welcome groups of 10 or more at any time of the year.

The gardens at Sarnia Park, which were originally planted during 1999-2002, have now matured to the point where the New Zealand Garden Trust assessed them as a "Garden of Significance" in December, 2009. The English gardens are designed to complement the Georgian style manor house, function centre and historic chapel. Features of the gardens include: manicured feature lawns, rose gardens, bridge access to an island with a gazebo and all white plantings on a man-made lake, a cherry blossom walk which is a feature in mid-September and a range of deciduous and evergreen trees. Garden beds add colour while buxus hedging provides structure.
